- Collaboration •Team Worker

ACHIVEMENTS

CODING

•solved **200+problems** in Leetcode with
handle karthicckkk

LERADER SHIP

•I showcased effective **leadership** by
organizing a successful national-level
symposium at AVS College of Technology

EXPERIENCE

FULL STACK ECOMMERCE WEBSITE | [Link](#)

Jan 2023 – Mar 2023

- developed a full-stack e-commerce website, prioritizing a **user-friendly** experience and a robust payment gateway.
- With seamless **API** integration and a connected database, the website delivers optimal performance.
- Incorporating top-notch **UX design** I successfully implemented Strapi for efficient database management and utilized Stripe as a reliable **payment gateway**
- Tech Stack : **Reactjs**, strapi,stripe

REAL TIME SOCIAL MEDIA WEBSITE | [Link](#)

Mar 2023 – May 2023

- successfully deployed a dynamic, real-time social media website with robust **authentication** methods including **registration , login , and logout**
- The implementation includes the use of **JWT** for enhanced security.
- The website features seamless API connections, well-defined routes, a responsive design, and efficient data management for a **secure user experience**
- Tech Stack: Reactjs, **Nodejs , Expressjs , MYSQL**

FITNESS WEBSITE | [Link](#)

Jan 2023 – Feb 2023

- created a visually stunning fitness website with captivating colors and a smooth scrolling experience.
- The website incorporates **swipe gestures , pagination functionality, and adds an** elegant touch with smooth hover effects and seamless image transitions.
- providing users with an engaging and immersive browsing experience.
- Tech Stack : **HTML , CSS , JavaScript**

PERSONAL PORTFOLIO | [Link](#)

Jan 2023 – May 2023

- I have crafted a visually striking portfolio website that showcases my skills and highlights all of my projects.
- Developed with the expressive capabilities of Tailwind CSS, the website features a seamless scrolling experience.
- Tech Stack : Reactjs , **Bootstrap , tailwind**

COMPETITIONS

INTERNATIONAL CONFERENCE

Feb - 2022 | Salem, TamilNadu

I had the honor of showcasing my research and paper on **"The Global Change and Climate Change"** at a prestigious event, highlighting my expertise and contribution to the field

PAPER PRESENTATION

May - 2022 | Salem, TamilNadu

I actively engaged in a national-level paper presentation where we effectively showcased our project, demonstrating our profound knowledge and expertise in the field to the audience.
